## Points of Interest

- Vienna has over 3,500 sideway cafes. They serve a variety of foods and drinks, mostly coffee and wine.
- They open around March 1 and close around November 30.
- They are generally found on public land near the host establishment.
- The first café was opened in 1750 by Johann Jakob Taroni on Grabben in the center of the city. He was granted permission to place tables and chairs in front of his establishment.
- The most beautiful cafes can be found at St.Ulrichs Platz and Praterstrasse.

## 16th Annual Euro-American Auto & Cycle Show - Great Success

We would like to thank all those that entered our Annual Euro-American Auto and Cycle Show, the public viewers, our vendors, our sponsors (page 6) and certainly all our staff (including the volunteer helpers from the Old School Euros Car Club) for helping make the show a great success this year.

Also a big thanks for our partners, the German American Society for supplying the food, drink and picnic grove for the event. Also to the Club friends; Mike Minton, Jack Doherty, Dave Wood and Rick and Todd Search for their help again this year with show registration, staging and judging.

Unfortunately, we had to cancel the 2020 show due to the Covid-19 Pandemic. But we made up for it this year.

There were over 135 vehicles in attendance. As in the past we had our member Mike Len-go and his band entertained the crowd as they Rocked On. This year the weather was perfect! Even the Good Humor Ice Cream man showed up in order to help cool us off. Some more photos can be seen on pages 7 and 11.

Proceeds from the show will again go towards our local high school student scholarship fund.  
Preparation for the show is a year long process.....as we start the process again for 2022.

Happy Mother's Day

Happy Father's Day and June Pig Roast

THANKS—VIELEN DANK

The Trenton Donauschwaben wishes **Franz and Josephine Herdt** a very happy 66th anniversary, which they celebrated on May 28, 2021. They are the parents of our former Club President Frank Herdt! Congratulations and best wishes for continued happiness and good health!

Also we would also like to recognize club member **Frank Varrone** for his good work in keeping our always growing bushes and hedges. The bushes have served as the club's "living fence" since the very beginning and provide a measure of privacy and security for outdoor events especially. Thank you Frank!

The club wishes to recognize member **Ernie Schirmer** for his efforts to update and upgrade the club's sound system. Ernie has a highly technical background in acoustic engineering and we're delighted he has volunteered to put his expertise to work for all to enjoy. The last upgrade was undertaken many years ago by some other wonderful club member volunteers, the late Tony Walter and his son Bob. Their system was a big step up from the previous one so we're pleased that with this latest upgrade we're keeping pace with an ever changing technology. Thank you Ernie! \*\*\*\*

News from the Verband Landesjugendleiterin, **Kathleen Martini.... Congratulations Kathleen and team!** Kathleen writes...."I just got back from AAU Taekwondo Nationals in Las Vegas. I have been competing nationally and internationally in taekwondo for the past 15 years, and this year, because my work schedule wouldn't allow for training, I went to nationals as a member of the coaching staff for my taekwondo team, Asian Sun Martial Arts. We brought home more than 150 medals across four disciplines and are sending four people to AAU national team trials in a few weeks. I had a great time and can't wait to be back to competing next year!"

**Anna W. (Gutwein) Muller**, age 90, of Lansdale, died peacefully Sunday July 4, 2021, at her residence. She was the wife of Mathias K. Muller. The couple celebrated their 70th wedding anniversary on October 21, 2020.

She was born on October 30, 1930, in the German community of Palanka in the former Yugoslavia along the Danube River to the late Anton and Anna (Deitz) Gutwein. On October 15, 1944, at the age of 13, Anna left Palanka as a result of World War II. After the end of the war, Anna reunited with her family in Germany. At the age of 19, Anna immigrated to the United States with her parents, older brother, sister-in-law and nephew and arrived in New York on the Queen Elisabeth on December 7, 1949. Anna's family was sponsored by family living in Detroit, Michigan where they first lived when they arrived in the United States. After arriving in Detroit, Anna worked as a nanny for an American family and learned the English language from the children she cared for. On October 21, 1950, Anna married Mathias K. Muller, whom she knew from Palanka and reconnected with in Germany after the end of World War II. The couple was married in Lebanon, Pennsylvania and lived in Lebanon with Mathias's family after the wedding. (continued next column).

In the early 1950's, Anna and Mathias moved to Hatfield, Pennsylvania. Their daughter, Helen, and son, Mathias, were born in Lansdale, Pennsylvania. Anna and Mathias built their home in Lansdale in 1955 where they lived together for 65 years. Anna became a citizen of the United States on December 19, 1957, and was a longtime member of St. Stanislaus Parish and later attended Mass at The Landing of Towamencin where she resided.

Anna was an accomplished seamstress, quilter, cross-stitcher and crocheter. She was also an excellent baker and enjoyed making and sharing desserts. Using her skills as a meticulous housekeeper, Anna was employed cleaning other people's homes. After her husband's retirement, they enjoyed traveling with other seniors and saw much of the United States including Alaska and Hawaii. She also enjoyed reading, and in her later years was an avid jigsaw puzzler. Anna had a quiet and generous personality and was a loving wife, mother, grandmother and great-grandmother. Grammy, as her granddaughters and great-grandsons called her, loved being surrounded by her family, serving family dinners, and making special treats for others to enjoy.

In addition to her husband, Mathias K. Muller, she is survived by her daughter, Helen I. Moyer and her husband, Paul, of Lansdale and son, Mathias A. Muller and his wife, Melanie, of Line Lexington; two granddaughters: Paula (Moyer) Musgnung and husband, Matthew, and Lara (Moyer) Timblin and husband, Aaron; and four great-grandsons: Lucas Timblin, Caden Timblin, William Musgnung and Ryan Musgnung. In addition to her parents, she was preceded in death by her brothers, Joseph Gutwein and Anton Gutwein. Submitted by member John Muller. \*\*\*\*

# Club Dinners Continued Through the Covid Pandemic Via Takeout

Dinners are the main fund raiser of the Club in order to support the Club's annual operating expenses. As such in 2021 we became inventive and created our Take-out dinner program. It was a great success thanks to all our members and supporters. In addition, many many folks made donations during this Spring to aid the cause. Also a big Kudos to all the member dinners prep and support staff.

Vielen Dank!

## Dubs in the Shrubs Campout and Car Show—Big Success

Our friends of the Old School Euros Car Club’s “Dubs in the Shrubs Campout and Car Show” was held May 22 and 23 at the German-American Picnic Grove, 215 Uncle Pete’s Road, Yardville, NJ. Several of our members; Dennis Bauer, Frank Herdt, Terry Huff, Hans Martini and Jim Potts are also members of the OSECC . Helpers at the event also included our members Colin and Pat Huff.

The camp-out started at 3pm on Saturday, the 22nd. The car show and swap meet was held at 10am until 3pm on Sunday, the 23rd. Our club was a sponsor again this year. There were over 170 air-cooled VW campers and vehicles on display. The OSECC show was a big success and the club donated \$2500 to St. Jude Children’s Research Hospital. A reporter from the *Hot VWs* magazine was present and will be publishing an article about the show in the September issue of the magazine. Kudos to the club from the Trenton Donauschwaben members.

## Scholarships & Culture & Food

### Second Floor of our Clubhouse!

When attending one of our many wonderful dinners, take a moment to stop by the second floor of our Clubhouse to tour our museum. Donations were given by many of our members from the "old country"..... original "Tracht", among other things, and a history board detailing the plight of the Donauschwaben people and the founding of our beloved Club back in 1956 (See photo above).

The Club celebrated its **64th Anniversary** on October 20th, 2020 via takeout dinner due to the Covid pandemic. We hope to return to our normal sit down dinner for this years 65th. Please tour the museum when the club re-opens. It is updated throughout the year. Many visit the museum during our monthly dinners and are impressed with the items presented.

### Club Adjusts to the Times

Dear Members and Friends,

It's been a source of pride at the Donauschwaben that we've held the line on dinner prices over the years. In fact, our current prices have been the same for quite some time. We simply never charge more than we need to just because we can. We still feel the same way but recently we've had to address sharply increasing costs.

Rising insurance premiums, food costs and other routine expenses come quickly to mind. Lately, however, it's also been major maintenance items that have hit us hard. For example, long delayed roof work on our caretaker's house and now the clubhouse's central air conditioning system after the compressor failed (on pig roast morning no less). We've done very costly fire safety and fire suppression upgrades over the past year as well. It will surprise no one that the cost for these major maintenance repairs and a few more on the horizon is in the tens of thousands. For a club that is strictly volunteer run it's amazing how much is needed to "keep the lights on"!

Those volunteers also pay for their own meals by the way. They work and pay because they believe in the club and want it to succeed. What can you really say to folks like that except a great big "THANK YOU"! Those of you who have supported our dinners, paid dues and made contributions of time and money have been wonderful. We really do have some of the finest members and friends any club could ask for.

So, it is with some regret that the club must announce increases in prices at the monthly dinners. Please don't hesitate to ask if you have any questions regarding this or anything else when it comes to the club. Rest assured that we are committed to making the Donauschwaben better and stronger for the wonderful things we do right now and for what we plan tomorrow, including the Trenton Treffen on Labor Day Weekend, 2022.
